

## 168 MEDIA FORUM CAPITALIZING ON THE 'YEAR OF THE CHRISTIAN FILM'

SATURDAY SEPTEMBER 13, 2014  
ARATANI JAPANESE THEATER  
244 S. SAN PEDRO STREET, LOS ANGELES, CA

Jesus' parables prove that story can change culture, and because of **the volume of faith films**, the press has declared that 2014 is **"The Year of the Christian Film."**

In our media-dependent culture, we **MUST** encourage and pray for media creators to produce excellent, spiritual entertainment to affect kids and culture. Through the church's participation, God's Spirit can mentor artists, producing power in their stories.

You are invited to attend and contribute to this dialogue regarding the current state of faith-based media and opportunities afforded by this current climate.
