

SPECIAL PROGRAMMING FOR SATURDAY, AUG.29

# 168 KIDS!

A WORLD OF KID SIZED FUN

Children are the future and every generation is vital to our society. We proudly present our program just for kids 5-15 years, where the kids are the stars!

**AUGUST 29, 2015 10:00AM – 12:30 PM**  
**PREMIER HOUSE AT REGAL CINEMAS LA LIVE**  
**1000 W. OLYMPIC BLVD., LOS ANGELES, CA**

These short films will fascinate these young kids. The program is loaded with wonderful, positive short stories that center on family and children. See a nominated film by a seven-year-old writer/director!

Come and meet kid stars from film and TV, play games and take pictures on our photo backdrop!

**168 Kids** means something special for kids aged 5-14. Parents are welcome to attend. It's free for children and their supervisors/parents.

Sponsorships are available. For questions, call 818-557-8507, or [joanne@168project.com](mailto:joanne@168project.com).
